

Morton Vikings Before and After School Club
Parents/Guardian Evaluation Sept 2010.

Dear Parents/ Guardians,

As part of the service we provide we need to evaluate the Provision. Already the children in both Breakfast and After school clubs, have been consulted. Staff in club asked them to think what they liked about club and what they disliked or would like to change. Their responses were recorded and are now on a display for you to see. They gave some very positive comments and now we need to ask you for your views/comments. Your comments are vital to help provide the club with what you and your child/ren need and enjoy.

All responses will be shown to funding agencies but your names will be kept confidential.

Thank you for taking the time to complete this.
